

EXPRESSION OF INTEREST FORM

INNOVATION & SOLUTIONS HUB

SIRAGA Forum 2026 • Abidjan • 18–19 November 2026

Purpose: to assess a request to participate in the Innovation & Solutions Hub. Submission does not constitute automatic acceptance.

01 ORGANISATION IDENTIFICATION

Organisation		Country / city	
Website		Sector	
Contact person		Position	
Email		Phone / WhatsApp	

02 PREFERRED MODE OF PARTICIPATION — Multiple options possible

☐ Exhibit at the Hub	☐ Exhibit and deliver a demonstration
☐ Deliver a dedicated demonstration	☐ Propose a technology partnership with the Hub
☐ Be advised on the most suitable package	Other:

03 SOLUTION / TECHNOLOGY / PROJECT TO BE PRESENTED

Title		Application sector	
Country / markets		Website / solution link	
☐ Equipment	☐ Digital technology	☐ Software / platform	
☐ Artificial intelligence	☐ Drone / robotics / autonomous system	☐ Prototype / demonstrator	
☐ Industrial project	☐ Maritime / port solution	☐ Geospatial / data	
☐ Cybersecurity	Other:		
Brief description: problem addressed, value proposition and main applications.			
Maturity level ☐ Concept / development	☐ Functional prototype	☐ Commercialised solution	
☐ Solution already deployed	☐ Client references available	☐ Seeking deployment / industrialisation	

04 PARTICIPATION OBJECTIVES — What you wish to achieve through the Hub

- | | |
|---|--|
| ☐ Present the solution to a targeted professional audience | ☐ Find clients / buyers |
| ☐ Meet institutions / public decision-makers | ☐ Identify a distributor / commercial partner |
| ☐ Identify an industrial / technology partner | ☐ Meet investors / financiers |
| ☐ Seek deployment / expansion in Africa | ☐ Promote an innovation / know-how |
| ☐ Test or demonstrate the solution in real conditions | ☐ Develop B2B / B2G / B2I relationships |

05 TECHNICAL AND LOGISTICAL REQUIREMENTS — Complete only if necessary

- | | | | |
|---|---|---|--|
| ☐ Power supply | ☐ Internet / Wi-Fi | ☐ Screen / audiovisual | ☐ Specific furniture |
| ☐ Secured demonstration area | ☐ Outdoor space | ☐ Storage / logistics | ☐ Specific technical installation |

Details: desired area, number of people, demonstration duration, set-up / dismantling.

Constraints / safety considerations to be reported: batteries, radio frequencies, mechanical movement, heat, noise, drone, laser, etc.

06 ATTACHED DOCUMENTS AND VALIDATION

- | | |
|--|--|
| ☐ Brochure / presentation | ☐ Technical datasheet |
| ☐ Photos / visuals | ☐ Video link |
| ☐ References / use cases | Other: |

☐ I hereby certify the accuracy of the information provided and authorise its use for the review and orientation of this application to participate in the Innovation & Solutions Hub.
