Pavilion / Bespoke Exhibition Space

A tailored configuration for organizations, consortia or delegations requiring a more substantial presence.

FROM

5 x 5 m

MINIMUM AREA: 25 m²

Sizing, fit-out and services are defined according to the project, the number of solutions presented, and the organization's representation requirements.

WHAT IS IT DESIGNED FOR?

- Presenting several technologies or brands within a single exhibition environment.
- Creating a corporate, group, consortium or technology-ecosystem pavilion.
- Hosting business and institutional meetings.
- Deploying specific configurations: demonstrations, lounge, screens, storage or scenography.
- Establishing a customized visual identity and bespoke fit-out.

OPTIONS & ADD-ON SERVICES

Depending on the selected package and availability, complementary services may be proposed in addition to the included space.

VISIBILITY

Enhanced signage, digital visibility and inclusion in selected communication materials.

TECHNICAL

Screen, dedicated power supply, connectivity and specific equipment-related requirements.

FIT-OUT

Additional furniture, lounge, storage or a specific spatial configuration.

Reserve Your Exhibition Space

A clear process: present your requirements, confirm the right package, then prepare your presence at the Hub.

EXHIBITION | SPONSORSHIP

An organization may exhibit within the Hub without subscribing to a sponsorship package. Sponsorship is a separate, complementary and optional engagement designed to strengthen visibility, brand activation, and institutional or commercial positioning.
